2 INTERNAL CONTROLS AND AUDIT APPROACH

- 2.1 We have reviewed in the course of our audit the key elements of the College's systems of internal financial controls including the following areas:-
- a) The College's medium and short term planning processes including budgets;
 - b) The College's review of key performance indicators, financial and management accounts;
 - c) The College's controls over income and expenditure;
 - d) The College's financial controls and procedures;
 - e) The input from the Audit Committee and the Finance Committee;
 - f) The College's internal audit service.
- 2.2 In carrying out our audit work we have taken into account the following:
- a) The Code of Audit Practice issued by Audit Scotland;
 - b) The Code of Audit Practice issued by SFC;
 - c) Guidance issued by Audit Scotland;
 - d) Guidance issued by SFC;
 - e) The College's internal control procedures;
 - f) The College's Corporate Governance procedures;
 - g) The College's approach to Value for Money;
 - h) The financial memorandum between SFC and the College.
- 2.3 In reaching our audit opinion we carried out our audit work based on the audit plan with evidence obtained by:
- a) Reviewing previous financial statements;
 - b) Reviewing internal audit plans and reports;
 - c) Discussions with senior management and staff at the College;
 - d) Completing appropriate audit programmes;
 - e) Carrying out analytical review procedures;
 - f) Carrying out substantive and compliance audit tests on a judgemental basis;

- 2.4 Based on our review the College appears to operate appropriate internal financial controls, subject to the management letter points raised in Sections 9 & 10.
- 2.5 The audit recommendations are included in the appropriate sections of this report.
- 2.6 The recommendations have been graded as either High, Medium or Low priority depending upon the degree of risk assessment for each recommendation. Each recommendation has a target date for remedial action and the person responsible for each recommendation has been nominated in the relevant Section.

3 FINANCIAL STATEMENTS

- 3.1 The financial statements of the College are the means by which it accounts for its stewardship of the resources made available to it and its financial performance in the use of these resources. In accordance with the Further and Higher Education (Scotland) Act 1992 and the Accounts direction issued by the SFC, it is the responsibility of the College to prepare financial statements, which give a true and fair view of the College's financial position and the income and expenditure for the year.
- 3.2 The Public Finance and Accountability (Scotland) Act 2000 requires that the auditor shall place on the abstract of accounts an audit report, which contains an opinion as to whether the College has fulfilled this responsibility. The format of the audit report directed by the Auditor General for Scotland clarifies the respective responsibilities of management and auditors in relation to the accounts and requires auditors to set out the basis on which they have formed their opinion.

AUDIT REPORT

- 3.3 We are pleased to record that there are no qualifications in our audit report on the College's 2008/09 accounts, as, in our opinion, the financial statements give a true and fair view of the College's financial position and the income and expenditure for the year; and funds received have been applied for their intended purpose.

FINANCIAL PERFORMANCE

- 3.4 The income and expenditure account shows an operating loss for the year of £1,074k (2008 – surplus of £301k).
- 3.5 The College has currently budgeted for a £131k loss in 2009/10 before any FRS 17 adjustment.
- 3.6 A reconciliation of the 2008/2009 Budget to actual was reviewed and discussed with the College. The budget had a surplus of £261k but the actual resulted in a loss of £1,074k. The budget did not include FRS 17 adjustment of £1,116k. There was an adverse variance of £531k on payroll costs and a favourable variance of £225k on operating expenses.
- 3.7 In 2010 the SFC is due to publish comparisons of the financial performance of colleges based on 2008/09 PIs.
- 3.8 In July 2009 the Scottish Funding Council (SFC) published a series of performance indicators (PIs) assessing the financial performance of further education colleges for 2007/08. The salient PIs are included in the Operating and Financial Review.

SUBMISSION OF ACCOUNTS

- 3.9 The accounts were submitted for audit on 28 September 2009. Working papers provided have generally been of a good standard and queries arising from the audit have all been resolved. Key staff members were readily available for consultation throughout the audit process.

ISSUES ARISING

- 3.10 During the course of the audit a number of issues arose which were resolved in discussion with, or formally reported to the Financial Accountant. This practice is an established part of the audit process. The remainder of this report draws to the attention of the Board of Management and the Auditor General any matters of particular significance or interest, which arose from the audit.
- 3.11 **Accounting Policies:** In accordance with FRS18 the Audit Committee have formally reviewed the accounting policies included in the Annual Accounts.
- 3.12 **Campus Development:** The College is currently in the process of planning new builds; £1,745k of costs relating to this have been included in the Fixed Assets as assets in the course of construction.

4 INTERNAL AUDIT

Objective and Approach

- 4.1 Internal audit is a key element of the internal control system set up by management. A strong internal audit function is necessary to ensure the continuing effectiveness of the internal control system established. The College, therefore, needs to have in place a properly resourced internal audit service of good quality. To maximise the reliance that may be placed on internal audit and to avoid duplication of effort, the adequacy of internal audit is assessed each year.
- 4.2 The College's internal auditors for the year to 31 July 2009 were Baker Tilly.
- 4.3 The College's internal audit strategic and operational plans are set out for the year ending 31 July 2009 in the Audit Needs Assessment.
- 4.4 In the course of the year ended 31 July 2009 the following internal audit reports were issued:
- a) Treasury Management
 - b) Tuition Fees
 - c) Budgeting
 - d) Review of Financial Regulations
 - e) Estate Strategy
 - f) Equalities
- 4.5 The Internal audit work carried out and the reports issued in the year were in line with the Audit Needs Assessment.
- 4.6 The Internal Audit annual report from the College's internal auditors concluded that the College has adequate and effective risk management, control and governance processes to manage the achievement of the College's objectives. No review identified high priority recommendations in the year but they recommended that further work is undertaken on "equalities".

Opinion

- 4.7 An assessment was made of the adequacy of the Internal Audit function using a bespoke checklist and discussion with the Internal Audit providers. Reports issued by internal audit were also reviewed. Based on this work we concluded that the internal audit function is operating effectively and that we can place formal reliance on work of Internal Audit. Accordingly reliance was placed on the work of Internal Audit in all areas on which they reported during 2008/09 as detailed at 4.4.

5 CORPORATE GOVERNANCE

Objective and Approach

- 5.1 A review and assessment of the College's Corporate Governance systems relating to standards of conduct, openness and integrity was carried out using a bespoke checklist. We also reviewed the following:
- a) The College's Corporate Governance Statement included in the financial statements for the year ended 31 July 2009;
 - b) The College's Corporate Governance strategy;
 - c) The minutes of meetings of key College committees issued during the year.

Opinion

- 5.2 Based on our review the College appears to operate appropriate Corporate Governance procedures and management have adequate arrangements in place covering standards of conduct etc. These include, for example, Codes of Conduct for both Board Members and Staff.

Recommendations

- 5.3 The recommendations in this area are contained in Section 9.

There were no High Priorities noted.

6 VALUE FOR MONEY

Objective and Approach

- 6.1 We have reviewed the College's Value for Money systems including the following:
- a) The College's strategy in this area;
 - b) VFM studies carried out by the College's internal auditors.

Opinion

- 6.2 Based on our review the College appears to have established adequate arrangements to secure economy, efficiency and effectiveness in the use of its resources.

Recommendations

- 6.3 There are no recommendations in this area.

7 GMAP

- 7.1 We recommend that any significant correspondence from GMAP be forwarded to us so that they can be reviewed as part of our audit work.

8 PREVENTION AND DETECTION OF FRAUD AND IRREGULARITIES

Objective and Approach

- 8.1 The Code sets out that the College should establish arrangements for the prevention and detection of fraud and other irregularities as part of its Corporate Governance procedures.
- 8.2 An assessment was made of the adequacy of the systems and controls for the prevention and detection of fraud and irregularities using a bespoke checklist.
- 8.3 In the course of the audit we have reviewed the following areas with regard to the prevention and detection of fraud and irregularities:
- a) The monitoring and compliance with financial procedures;
 - b) The College's strategy to prevent and detect fraud and other irregularities;
 - c) The internal controls operated for segregation of duties, authorisation and approval processes and reconciliation procedures.
- 8.4 We emphasise that our audit of the financial statements is planned to ensure there is a reasonable expectation of detecting misstatements arising from fraud or other irregularity that are material in relation to those financial statements, but cannot be relied upon to detect all frauds and irregularities.

Opinion

- 8.5 Overall we concluded that management takes fraud prevention and detection seriously and has reliable controls in place to ensure that potential areas for fraud are detected.

Recommendations

- 8.6 There was no recommendation in this area.

9 MANAGEMENT LETTER – 2009

9.1 The recommendations following the audit for the year ended 31 July 2009 are set out below.

9.2 The recommendations have been graded as follows:

High Priority Recommendations addressing significant control weaknesses which should be implemented immediately.

Medium Priority Recommendations addressing significant control weaknesses which should be addressed in the medium term.

Low Priority Recommendations which, although not addressing significant weaknesses, would either improve efficiency or ensure that the college matches current good practice.

Background	Recommendations	Priority	College response	Responsibility /Timescale
<p>1. Corporate Governance The Combined Code on Corporate Governance requires that the chairman should hold meetings with the non-executive members without the executives present. Led by the senior independent member, the non-executive members should meet without the chairman present at least annually to appraise the chairman's performance and on such other occasions as are deemed appropriate. This is not done at the College.</p>	<p>We recommend that the non-executive directors meet periodically without the chairman in order to appraise his performance.</p>	<p>Medium</p>	<p>This will be incorporated into the Board of Management self evaluation process for 2009/10.</p>	<p>July 2010</p>

<p>3. Fixed Assets The college has spreadsheet schedules to support the fixed assets figures in the nominal ledger but do not have an inventory register.</p> <p>Also the college did not carry out a physical check of the assets during the course of the year.</p>	<p>It is recommended that the college invest in a comprehensive fixed assets register including inventory register – with location depreciation rates etc – so as to have a more effective management control of the fixed assets.</p> <p>It is recommended that during the course of the year the college should physically spot check the assets. The evidence of these checks should be filed and any corrective adjustment to the fixed assets should be implemented.</p>	<p>Medium</p>	<p>The College has purchased the Fixed Assets module of the College's current financial system.</p> <p>During 2009/10 we will configure the module to take account of existing assets with a view to rolling this out in more detail when we move to the new estates.</p> <p>ICT currently carry out physical checks of IT equipment. From 2009/10 we will expand this to cover estates.</p>	<p>July 2010</p> <p>January 2010</p>

<p>4. <p>2. Anti fraud and corruption policy We have identified that there is no anti fraud and corruption policy in place.</p> <p>There is a risk that the existing policies and procedures do not reflect current activities at the College and the absence of an anti fraud and corruption policy may result in suspected frauds not being identified and investigated effectively.</p>	<p>We understand that management is in the process of reviewing all College standing policies and procedures and is planning to finalise an anti fraud and corruption policy during 2007-08. We recommend that this policy is given priority to ensure that systems of internal control are effectively supported by sound and up to date formal standing documentation.</p>	<p>Medium</p>	<p>An anti fraud and corruption policy has been prepared and approved by the SMT. COMPLETED</p>

11. EMERGING ISSUES

11.1 ASB Policy Proposal: the future of UK GAAP

The purpose of this consultation paper from the Accounting Standards Board (ASB) is to set out a proposed strategy for the future basis of UK GAAP and its convergence with International Financial Reporting Standards (IFRS).

The proposed approach is to work under the International Accounting Standards Board's (IASB) framework and to converge with IFRS to the fullest extent possible consistent with the needs of UK entities. The ASB's current intention is to issue an exposure draft withdrawing the separate body of literature currently referred to as UK GAAP and replacing it with new IFRS-based literature. Any modifications to the application in the UK of the underlying IFRS literature would be proposed at that stage.

The paper considers the future role of statements of recommended practice (SORPs) that are issued by industry or sectoral bodies that are recognised by the ASB. As a general principle, the ASB's view is that SORPs should only remain where there is a need arising from sector specific issues not covered by guidance in accounting standards. The proposal is to restrict the number of SORPs to which the ASB provides any endorsement.

The ASB intends issuing an exposure draft outlining its recommendations for the future of UK GAAP after considering the feedback on this paper.

12. SUMMARY OF DEVIATIONS

APPENDIX A

STATEMENT OF RESPONSIBILITIES OF THE BOARD OF MANAGEMENT

Statement of the Board of Management's Responsibilities

The Board of Management are required to present audited financial statements for each financial year.

In accordance with the Further and Higher Education (Scotland) Act 1992, the Board of Management is responsible for the administration and management of the College's affairs, including ensuring an effective system of internal control, and is required to present audited financial statements for each financial year.

The Board of Management is responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the College and enable it to ensure that the financial statements are prepared in accordance with the Further and Higher Education (Scotland) Act 1992, the 2007 *Statement of Recommended Practice - Accounting for Further and Higher Education Institutions* and other relevant accounting standards. In addition, within the terms and conditions of a Financial Memorandum agreed between the Scottish Funding Council and the College's Board of Management, the Board of Management, through its designated office holder, is required to prepare financial statements for each financial year which give a true and fair view of the College's state of affairs and of the surplus or deficit and cash flows for that year.

In causing the financial statements to be prepared, the Board of Management has ensured that:

- suitable accounting policies are selected and applied consistently;
- judgements and estimates are made that are reasonable and prudent;
- applicable Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- financial statements are prepared on the going concern basis unless it is inappropriate to presume that the Institution will continue in operation. The Board of Management is satisfied that it has adequate resources to continue in operation for the foreseeable future: for this reason the going concern basis continues to be adopted in the preparation of the financial statements.

The Board of Management has taken reasonable steps to:

- ensure that funds from the Scottish Funding Council are used only for the purposes for which they have been given and in accordance with the Financial Memorandum with the Funding Council and any other conditions which the Funding Council may from time to time prescribe;
- ensure that there are appropriate financial and management controls in place to safeguard public funds and funds from other sources;
- safeguard the assets of the College and prevent and detect fraud;
- secure the economical, efficient and effective management of the College's resources and expenditure;
- ensure sound corporate governance and proper conduct of the College's operations.

The key elements of the College's system of internal financial control, which is designed to discharge the responsibilities set out above, include the following:

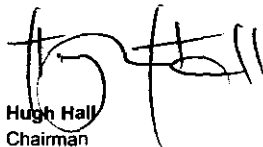

- clear definitions of the responsibilities of, and the authority delegated to, heads of academic and administrative departments;
- a comprehensive medium and short-term planning process, supplemented by detailed annual income, expenditure, capital and cash flow budgets;
- regular reviews of key performance indicators and business risks and quarterly reviews of financial results involving variance reporting and updates of forecast outturns;
- clearly defined and formalised requirements for approval and control of expenditure, with investment decisions involving capital or revenue expenditure being subject to formal detailed appraisal and review according to approval levels set by the Board of Management;
- comprehensive Financial Regulations, detailing financial controls and procedures, approved by the Audit Committee and the Finance Committee;
- a professional internal audit team whose annual programme is approved by the Audit Committee and endorsed by the Board of Management and whose head provides the Board of Management with a report on internal audit activity within the College and an opinion on the adequacy and effectiveness of the College's system of internal control, including internal financial control.

Any system of internal financial control can, however, only provide reasonable, but not absolute, assurance against material misstatement or loss.

Disclosure of information to auditors

The Board members who held office at the date of approval of this report confirm that, so far as they are each aware, there is no relevant audit information of which the College's auditors are unaware; and each Board member has taken all the steps that he or she ought to have taken to be aware of any relevant audit information and to establish that the College's auditors are aware of that information.

Approved by order of the members of the Board on 9 December 2009 and signed on its behalf by:

Hugh Hall
Chairman

APPENDIX B

INDEPENDENT AUDITORS REPORT

We have audited the financial statements of Forth Valley College for the year ended 31 July 2009 under the Further and Higher Education (Scotland) Act 1992. These comprise the Income and Expenditure Account and Statement of Total Recognised Gains and Losses, the Balance Sheet, the Cash Flow Statement, and the related notes. These financial statements have been prepared under the accounting policies set out within them.

This report is made solely to the parties to whom it is addressed in accordance with the Public Finance and Accountability (Scotland) Act 2000 and for no other purpose. In accordance with paragraph 123 of the Code of Audit Practice approved by the Auditor General for Scotland, we do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Respective Responsibilities of the Board of Management, Principal and Auditors

The Board of Management and the Principal are responsible for preparing the Annual Report and the financial statements in accordance with the Further and Higher Education (Scotland) Act 1992 and the Accounts Direction issued hereunder by the Scottish Funding Council which requires compliance with the Statement of Recommended Practice on Accounting for Further and Higher Education. The Board of Management and the Principal are also responsible for ensuring the regularity of expenditure and income. These responsibilities are set out in the Statement of Board and Principal Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and with the International Standards on Auditing (UK and Ireland) as required by the Code of Audit Practice approved by the Auditor General for Scotland.

We report to you our opinion as to whether the financial statements give a true and fair view and have been properly prepared in accordance with the Further and Higher Education (Scotland) Act 1992, and the Accounts Direction. We report to you whether in our opinion, the information which comprises the Operating and Financial Review included in the Annual Report, is consistent with the financial statements. We also report whether in all material respects:

- the expenditure and income shown in the financial statements were incurred or applied in accordance with any applicable enactments and guidance issued by the Scottish Ministers;
- funds provided by the Scottish Funding Council have been applied in accordance with the Financial Memorandum dated 1 January 2006 and any other terms and conditions attached to them for the year ended 31 July 2009; and
- funds from whatever source administered by the College for specific purposes have been properly applied for the intended purposes.

In addition, we report to you if, in our opinion, the college has not kept proper accounting records, or if we have not received all the information and explanations we require for our audit.

We review whether the Statement of Corporate Governance and Internal Control reflects the college's compliance with the requirements of the Scottish Funding Council and if we report if, in our opinion, it does not. We are not required to consider, whether the statement covers all risks and controls, or form an opinion on the effectiveness of the College's corporate governance procedures or its risk and control procedures.

We read the other information contained in the Annual Report and consider whether it is consistent with the audited financial statements. The other information comprises only the Operating and Financial Review, the Corporate Governance Statement and the Statement of the Board of Management's Responsibilities. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

Basis of Audit Opinion

We conducted our audit in accordance with the Public Finance and Accountability (Scotland) Act 2000 and International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board as required by the Code of Audit Practice approved by the Auditor General for Scotland. Our audit includes examination, on a test basis, of evidence relevant to the amounts, disclosures and regularity of expenditure and income included in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Board of Management and Principal in the preparation of the financial statements, and of whether the accounting policies are most appropriate to the college's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error, and that in all material respects the expenditure and income shown in the financial statements were incurred or applied in accordance with any applicable enactments and guidance issued by the Scottish Ministers. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.
