2019/20 Independent Auditor's Report for  
Central Government Bodies

 AUDIT SCOTLAND

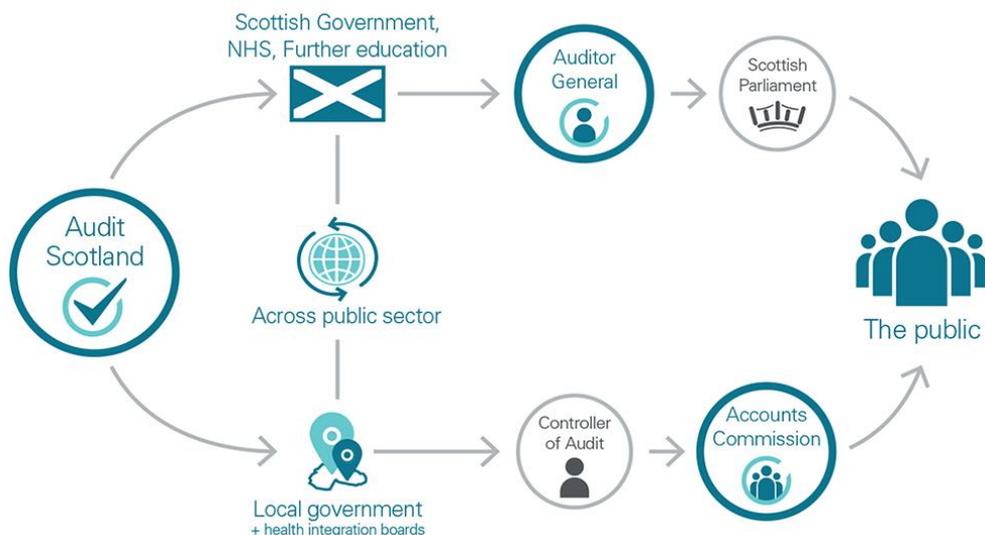

Prepared for appointed auditors in the central government sector

22 April 2020

## Who we are

The Auditor General, the Accounts Commission and Audit Scotland work together to deliver public audit in Scotland:

- The Auditor General is an independent crown appointment, made on the recommendation of the Scottish Parliament, to audit the Scottish Government, NHS and other bodies and report to Parliament on their financial health and performance.
- The Accounts Commission is an independent public body appointed by Scottish ministers to hold local government to account. The Controller of Audit is an independent post established by statute, with powers to report directly to the Commission on the audit of local government.
- Audit Scotland is governed by a board, consisting of the Auditor General, the chair of the Accounts Commission, a non-executive board chair, and two non-executive members appointed by the Scottish Commission for Public Audit, a commission of the Scottish Parliament.

## About us

Our vision is to be a world-class audit organisation that improves the use of public money.

Through our work for the Auditor General and the Accounts Commission, we provide independent assurance to the people of Scotland that public money is spent properly and provides value. We aim to achieve this by:

- carrying out relevant and timely audits of the way the public sector manages and spends money
- reporting our findings and conclusions in public
- identifying risks, making clear and relevant recommendations.

## Purpose and use of Technical Guidance Note

1. The purpose of this Technical Guidance Note (TGN) from Audit Scotland's Professional Support is to provide external auditors appointed by the Auditor General for Scotland with model Independent Auditor's Reports for the 2019/20 annual report and accounts of central government bodies.
2. Appointed auditors are required by the Code of Audit Practice to prepare their Independent Auditor's Reports in accordance with this TGN.
3. The model Independent Auditor's Reports set out in the Appendices of this TGN comply with [ISA \(UK\) 700 Forming an Opinion and Reporting on Financial Statements](#). The models are consistent with illustrative examples issued by the Financial Reporting Council but tailored to reflect central government legislation and augmented by the reporting requirements of the Auditor General.
4. This TGN also provides guidance on the amendments that require to, or may, be made to the wording in the models in the form of auditor actions. Auditors should complete for each report the checklist at Appendix 5 which provides a list of those auditor actions.
5. A model report for any summary financial statements in a separate annual report is provided at Appendix 6.

## Changes in 2019/20

6. There have been no significant changes to the model Independent Auditor's Reports for 2019/20.
7. Some enhancements have been made to the guidance to make the required auditor actions clearer.

## Enquiries

8. Auditors should contact Professional Support with any enquiries or requests for advice by sending an email to [TechnicalQueries@audit-scotland.gov.uk](mailto:TechnicalQueries@audit-scotland.gov.uk).

# Section 1

## Overview

### Parts of model Independent Auditor's Reports

9. The parts that comprise the model Independent Auditor Reports, and where guidance is provided on each part, are summarised in the following table:

Part of model reports	Guidance
Title	ISA (UK) 700 requires the auditor's report to have a title that clearly indicates that it is the report of an independent auditor. The title 'Independent Auditor's Report' is used as this complies with that requirement and also clearly distinguishes it from other required reports, such as the Annual Audit Report.
Addressees	ISA (UK) 700 also requires the Independent Auditor's Report to be addressed based on the circumstances of the audit appointment. The Independent Auditor's Report is therefore addressed to the members of the audited body, the Auditor General for Scotland and the Scottish Parliament.
Report on the audit of the financial statements	<p>This part of the report sets out the financial statements that have been audited and the opinion on them. It also sets out the financial reporting framework which for the avoidance of doubt, in most cases, continues to be in 2019/20 International Financial Reporting Standards adopted by the EU. This part also has paragraphs on:</p> <ul style="list-style-type: none"> <li>• the basis for that opinion, including information on the audit appointment and any non-audit work</li> <li>• conclusions relating to the going concern basis of accounting</li> <li>• risks of material misstatement</li> <li>• responsibilities of the Accountable Officer and auditors for the financial statements, including an explanation of the extent to which the audit is considered capable of detecting irregularities including fraud</li> <li>• other information in the annual report and accounts.</li> </ul> <p>Guidance is provided in section 2 of this TGN.</p>
Report on regularity of expenditure and income	<p>This part sets out the opinion on the regularity of expenditure and income.</p> <p>Guidance is provided in section 3 of this TGN.</p>
Report on other requirements - opinions on matters prescribed by the Auditor General	<p>This part sets out the opinions on the Remuneration and Staff Report, Performance Report and Governance Statement.</p> <p>Guidance is provided in section 4 of this TGN.</p>
Report on other requirements - matters reported by exception	<p>This part sets out the conclusions on matters reported by exception, such as the adequacy of accounting records.</p> <p>Guidance is provided in section 5 of this TGN.</p>

Part of model reports	Guidance
Report on other requirements - wider scope responsibilities	This part highlights that auditors report conclusions on their wider scope responsibilities in the Annual Audit Report.
Use of report	The model reports contain a paragraph to recognise the case of Royal Bank of Scotland v Bannerman Johnstone Maclay, which highlighted potential exposure where auditors have not expressly disclaimed responsibility to third parties.

## Summary of model reports

### Auditor action 1

**Auditors should use the correct model report that applies to the audited body.**

- 10.** Separate model Independent Auditor's Reports have been provided for the bodies/accounts set out in the following table:

Appendix	Applicable bodies/accounts
1	Scottish Government consolidated accounts
2	Executive agencies, non-ministerial departments (including Revenue Scotland), Crown Office and Procurator Fiscal Service, Scottish Forestry, Forestry and Land Scotland, and Registers of Scotland.
2A	Pension schemes
2B	Scottish Consolidated Fund Accounts
2C	Scottish Government Non-Domestic Rating Account
2D	Queen's and Lord Treasurer's Remembrancer
2E	Revenue Scotland Devolved Taxes Account
2F	Scottish Parliamentary Corporate Body
3	Non-departmental public bodies (NDPBs), commissioners and ombudsmen, national park authorities, lottery funds, Scottish Fire and Rescue Service, Scottish Road Works Commissioner and Scottish Police Authority
3A	Charitable NDPBs
3B	NDPBs limited by guarantee, i.e. The Skills Development Scotland and Architecture and Design Scotland
4A	Public corporations - Scottish Water
4B	Public corporations - Scottish Canals
6	Any audited body that includes summary financial information in a separate annual report

## Tailoring to local circumstances

### Auditor action 2

Auditors should follow the wording in the relevant model other than where changes are required to reflect local circumstances (e.g. adding the name of the body, reflecting whether the auditor is a firm or an individual, referring to applicable legislation, reflecting the inclusion of group financial statements).

11. Auditors should tailor the model wording as summarised in the following table:

Reason for change	Change to model wording
Name of audited body	Auditors should insert the name of the audited body. This should be consistent with what it calls itself in the annual report and accounts.
To reflect whether appointed auditor is an individual or firm	Where the appointed auditor is a member of Audit Scotland staff, the reports should be presented in the first person singular (e.g. 'I am'). Firms should present the report in the first person plural (e.g. 'We are').
Applicable legislation	The applicable legislation under which the audit has been carried out and the accounts direction issued requires to be stated. In most cases, the model reports already name that legislation, e.g. the Public Finance and Accountability (Scotland) Act 2000.  In the case of NDPBs and similar bodies, the applicable legislation is the enabling Act (or in some cases Royal Charter), and will therefore be different for each body. Auditors should identify the appropriate legislation and add it to the relevant paragraphs highlighted in the models.
Group financial statements	In the first paragraph under the 'opinion on financial statements' heading, insert 'and its group' after the name of the body.  In the second paragraph under the 'opinion on financial statements' heading, replace: <ul style="list-style-type: none"> <li>'body's affairs' with 'affairs of the body and its group'</li> <li>'its net expenditure' with 'the net expenditure'.</li> </ul> In the basis for opinion paragraph, replace 'independent of the body' with 'independent of the body and its group'.  In the second paragraph under the 'responsibilities of Accountable Officer for the financial statements' heading, replace 'body's ability' with 'ability of the body and its group'.
Other amendments	If auditors consider that any other amendments are required to reflect local circumstances, they should contact Professional Support.

## Signing and dating

12. ISA (UK) 700 requires Independent Auditor's Reports to be signed and dated, and name the location of where the auditor practices:

### Auditor action 3

Auditors should:

- sign and date the report on or after the authorised for issue date
- sign the report for and on behalf of the firm (firms only)
- give the full date and postal address.

## Signing

13. Auditors should sign the Independent Auditor's Report as follows:

Appointed auditor	Guidance on signing
Audit Scotland staff	The appointment lead (i.e. individual appointed as auditor) should sign the report in their own personal name.
Firm	<p>The appointment lead (i.e. the partner or other individual who is responsible for issuing the report) should sign the report 'for and on behalf of the firm' in their own personal name.</p> <p>The individual should not sign themselves as 'senior statutory auditor' as that is a Companies Act requirement that has not been applied to central government audits.</p>

## Dating

14. The date given in the Independent Auditor's Report should be the date on which the appointment lead actually signs the report. The appointment lead should aim to sign the report on the date the annual report and accounts are signed by the Accountable Officer (i.e. the authorised for issue date). Auditors should ensure they give the correct day, month and year of their signature, e.g. 30 September 2020.
15. There may be circumstances where the appointment lead cannot sign the report on the authorised for issue date. Where that is the case, auditors should note the following:
- The appointment lead should not sign the report earlier than the authorised for issue date.
  - Where the appointment lead signs the report on a date later than the authorised for issue date, auditors should:
    - obtain assurance that those charged with governance would have approved the financial statements on that later date (e.g. by obtaining confirmation from the Accountable Officer)
    - ensure that audit procedures for reviewing subsequent events cover the period up to that date.

## Address

16. Auditors should state in the Independent Auditor's Report the full postal address of their office.

## Positioning of the Independent Auditor's Report

### Auditor action 4

**Auditors should satisfy themselves that the Independent Auditor's Report is appropriately positioned within the annual report and accounts.**

17. Paragraph 5.3.29 of the FReM states that the accountability report should include the certificate and report of the Comptroller and Auditor General. This is the equivalent of the Independent Auditor's Report used in Scotland, and therefore the requirement applies in principle.
18. However, auditors should encourage bodies to locate the Independent Auditor's Report in such a way that it is clear to users of the accounts that it is not covered by the Accountable Officer's signature on the accountability report.

# Section 2

## Report on the audit of the financial statements

### Opinion on financial statements

#### Auditors' responsibilities

19. The 'Report on the audit of the financial statements' part of the model Independent Auditor's Report is where auditors set out the names of financial statements they have audited and express an opinion on whether those financial statements:
- give a true and fair view of the state of the affairs of the body (and its group) as at 31 March 2020 and of the net expenditure for the year then ended;
  - have been properly prepared in accordance with the financial reporting framework.

#### Titles of financial statements

##### Auditor action 5

**Auditors should list the financial statements they have audited, using the precise titles used by the audited body.**

20. Auditors are required by ISA (UK) 700 to identify the title of each statement that comprises the financial statements. The financial statements listed in the models are based on the requirements of, and titles used by, the [2019/20 Government Financial Reporting Manual](#) (the FR&M).
21. In the event that a body uses different titles or includes other statements, auditors should amend the titles of the statements so they precisely match the statements and titles actually used by the body. In previous years, there were a number of instances where the titles used by auditors did not precisely match those used by the body, which makes it difficult for a user of the accounts to clearly understand the statements that have been audited.

**Titles should be consistent with those used by the body**

#### Modified opinion on financial statements

##### Auditor action 6

**When auditors are considering modifying their opinion on the financial statements, they should discuss the proposed modified opinion with Professional Support.**

**If auditors conclude that a modified opinion is appropriate, they should**

- amend the headings and wording in the opinion and basis of opinion paragraphs
- include a description of the matter giving rise to the modification.

22. Guidance on risks of misstatements in the financial statements is provided in [Technical Guidance Note 2020/1](#).
23. [ISA 705 \(UK\) Modifications to the Opinion in the Independent Auditor's Report](#) establishes three types of modified opinions, i.e. a qualified opinion, an adverse opinion, and a disclaimer of opinion.
24. There are two forms of qualified opinion. The following table summarises the circumstances in which each form would be appropriate, and the changes which auditors should make to the models in each case:

Type of qualified opinion	Appropriate when	Changes to models
Material misstatement	Auditors conclude that misstatements are material (but not pervasive) to the financial statements	<p>Amend the heading 'Opinion on financial statements' to 'Qualified opinion on financial statements'</p> <p>Amend the heading 'Basis for opinion' to 'Basis for qualified opinion'</p> <p>Add 'qualified' before 'opinion' in the last sentence in the paragraph under the 'Basis for qualified opinion' heading</p> <p>Add a new paragraph under the 'Basis for qualified opinion' heading giving a description of the matter giving rise to the qualified opinion</p> <p>State in the 'Qualified opinion on financial statements' paragraph that, except for the effects of the matter described in the 'Basis for qualified opinion' paragraph, the financial statements give a true and fair view</p>
Inability to obtain evidence	Auditors are unable to obtain sufficient appropriate audit evidence on which to base the opinion, but conclude that the possible effects on the financial statements of undetected misstatements could be material but not pervasive	<p>The changes are the same as for a 'material misstatement' qualified opinion, with the following additions</p> <ul style="list-style-type: none"> <li>• Add 'possible' before 'effects' in the statement added to the 'Qualified opinion on financial statements' paragraph</li> <li>• Include in the 'Basis for qualified opinion' paragraph the reasons for the inability to obtain sufficient appropriate audit evidence</li> </ul>

- 25.** Where there is a material misstatement, the description of the matter in the added 'Basis for qualified opinion' paragraph should include:
- either a quantification of the financial effects of the misstatement or a statement that quantification is impracticable (where it relates to specific amounts in the financial statements)
  - where it relates to narrative disclosures in the notes, an explanation of how they are misstated
  - where it relates to the non-disclosure of required information, the nature of the omitted information and, unless impracticable, the omitted disclosures.
- 26.** The other types of modified opinion are when auditors:
- conclude that material misstatements have a pervasive effect on the financial statements (adverse opinion)
  - are unable to obtain sufficient appropriate audit evidence on which to base the opinion, and they conclude that the possible effects on the financial statements of undetected misstatements could be both material and pervasive (disclaimer opinion).
- 27.** Pervasive effects are those that:
- are not confined to specific items
  - represent a substantial proportion of the financial statements; or
  - are fundamental to users' understanding.
- 28.** These types of modified opinion are therefore not expected in practice, but auditors should refer to ISA (UK) 705 for the changes required to the models.

## Information on appointments and non-audit services

### Auditor action 7

#### Auditors should:

- add the date of their appointment letter and the total period of appointment
- report any non-audit services not disclosed elsewhere

29. Where indicated in the basis of opinion paragraph, auditors should:

- add the date of their appointment letter and the total period of appointment including any reappointments where indicated in the basis of opinion paragraph
- report any non-audit services which were provided to the body that have not been disclosed elsewhere in the annual report and accounts.

30. The above is based on the requirements in ISA (UK) 700 for public interest entities (PIE). For the avoidance of doubt, although they do not meet the legislative definition for a PIE, the Auditor General has applied these requirements to the audit of all central government bodies.

## Conclusions relating to going concern basis of accounting

### Auditors' responsibilities

31. ISA (UK) 700 requires auditors to report in accordance with ISA (UK) 570 in respect of going concern. ISA (UK) 570 requires auditors to conclude:

- on the appropriateness of the body's use of the going concern basis of accounting
- whether a material uncertainty exists about the body's ability to continue to adopt the going concern basis of accounting.

### Matter to be reported

### Auditor action 8

**When auditors are considering whether there may be a matter to report in respect of the use of the going concern basis of accounting, auditors should discuss the matter with Professional Support.**

32. Guidance on using the going concern basis of accounting is provided at section 2 of the Overview Module of [Technical Guidance Note 2020/1](#). While a public body may face financial sustainability issues, it is highly unlikely that there will be a material uncertainty regarding the use of the going concern basis of accounting or that it would not be considered appropriate. In evaluating whether this may be the case, auditors should refer to the guidance on applying ISA (UK) 570 in [practice note 10](#).

33. In the rare event of a going concern matter requiring to be reported, instead of the model wording the auditor's reporting options are summarised in the following table:

Matter to be reported	Reporting
Going concern basis of accounting inappropriate	Adverse opinion on financial statements
Material uncertainty exists and adequately disclosed	No modification to opinion Add separate section to the Independent Auditor's Report under the heading 'Material uncertainty related to going concern' and draw attention to the disclosure
Material uncertainty exists but not adequately disclosed	Qualified or possibly adverse opinion on financial statements

## Responsibilities of auditors

### Explaining capability of detecting irregularities

34. The model reports contain a paragraph that explains the extent to which the audit is considered capable of detecting irregularities, including fraud. Although the guidance in ISA (UK) 700 advises against the wording for this explanation being standardised, this is in a private sector context. Professional Support's view is that the standardised wording in the models is appropriate for central government bodies due to their similar nature.

---

**Standardised wording should be used unchanged**

---

## Other information in the annual report and accounts

### Auditors' responsibilities

35. ISA (UK) 700 requires auditors to report in accordance with ISA (UK) 720 in respect of other information in the annual report and accounts. This relates to information other than the financial statements and audited part of the Remuneration and Staff Report.
36. Auditors should evaluate whether there are any material misstatements in the other information in accordance with the guidance provided in Module 11 of [Technical Guidance Note 2020/1](#)

### Material misstatement to report

#### Auditor action 9

**When auditors are considering whether there is a material misstatement in the other information, they should discuss the matter with Professional Support.**

**If auditors conclude that there is an uncorrected material misstatement in the other information, they should include a statement in the Independent Auditor's Report either describing the misstatement or referring to a basis for qualified opinion paragraph.**

37. Where auditors conclude that there is an uncorrected material misstatement in the other information, the reporting requirement involves including a statement in the second paragraph of the section of the Independent Auditor's Report on other information that:
- describes the material misstatement; or
  - if the misstatement impacts on the opinions given on the Performance Report or Governance Statement, refers to a basis for qualified opinion paragraph in the section on matters prescribed by the Auditor General for Scotland that describes the material misstatement (guidance on this is provided in section 4).

---

# Section 3

## Report on regularity of expenditure and income

---

### Auditors' responsibilities

38. The 'Report on regularity of expenditure and income' part of the Independent Auditor's Report is where auditors express an opinion on whether, in all material respects, expenditure was incurred and income applied in accordance with applicable enactments and guidance issued by the Scottish Ministers.
39. For the Scottish Government, agencies and other bodies identified separately in the budget Acts, there are additional regularity considerations in respect of whether sums paid out of the Scottish Consolidated Fund were applied in accordance with the Scotland Act 1998.

### Qualified opinion on regularity

#### Auditor action 10

When auditors are considering qualifying their opinion on regularity, they should discuss the proposed qualified opinion with Professional Support.

If auditors conclude that a qualified opinion is appropriate, auditors should:

- amend the heading and wording of the opinion paragraph
- add a basis for qualified opinion paragraph
- provide a description of the matter giving rise to the qualified opinion.

- 
40. Auditors should evaluate whether there are any material irregularities in the financial statements in accordance with the guidance provided in Module 9 of [Technical Guidance Note 2020/1](#).
  41. If auditors are of the opinion that material expenditure was incurred or income applied that was not in accordance with applicable enactments and guidance issued by the Scottish Ministers, auditors should express a qualified opinion in respect of regularity.
  42. Where a qualified opinion on regularity is appropriate, auditors should:
    - include a 'Basis for qualified opinion on regularity' paragraph and provide a concise description of the matter giving rise to the qualification
    - amend the opinion heading to 'Qualified opinion on regularity', and include the phrase 'except for the effects of the matter described in the basis for qualified opinion on regularity paragraph' after 'In my opinion'.

# Section 4

## Opinions on matters prescribed by Auditor General

### Auditors' responsibilities

43. Auditors are required by the Auditor General to express opinions on whether:
- the audited part of Remuneration and Staff Report has been properly prepared
  - the Performance Report and Governance Statement are consistent with the financial statements and have been properly prepared.
44. Auditors express these opinions in the 'Opinion on matters prescribed by Auditor General' part of the Independent Auditor's Report.

### Titles of reports

#### Auditor action 11

**Auditors should use the precise titles of the reports used by the audited body.**

45. The titles of the reports (i.e. Remuneration and Staff Report, Performance Report and Governance Statement) used in the model reports reflect the titles used by the 2019/20 FReM. In the event that a body uses different titles, auditors should amend the references in the Independent Auditor's Report to be consistent.

### Qualified opinion on prescribed matter

#### Auditor action 12

**When auditors are considering qualifying their opinion on any prescribed matter, they should discuss the proposed qualified opinion with Professional Support.**

**If auditors conclude that a qualified opinion is appropriate, auditors should**

- **amend the heading and wording of the opinion paragraph**
  - **add a basis for qualified opinion paragraph**
  - **provide a description of the matter giving rise to the qualified opinion.**
46. Guidance on risks of misstatement is provided in Modules 10 and 11 of [Technical Guidance Note 2020/1](#). Any proposed qualified opinion on a prescribed matter should be discussed with Professional Support in advance of finalising the Independent Auditor's Report. Where auditors express a qualified opinion on any of the prescribed matters, they should:
- amend the heading 'Opinion on matters prescribed by the Auditor General for Scotland' to 'Qualified opinion on matters prescribed by the Auditor General for Scotland'
  - add the phrase 'Except for the matter described in the basis for qualified opinion on matters prescribed by the Auditor General for Scotland' section of [my/our] report'
  - add a section under the heading 'Basis for qualified opinion on matters prescribed by the Auditor General for Scotland' and provide a concise description of the matter giving rise to the qualification.
47. With the exception of Scottish Water, central government bodies are not required to report compliance with the UK Corporate Governance Code. If a body makes a reference in the Governance Statement to that code, auditors should contact Professional Support as this would trigger additional reporting requirements under ISAs (UK) 701 and 720.

---

# Section 5

## Matters reported by exception

---

### Auditors' responsibilities

48. The Auditor General requires auditors of central government bodies to report by exception if:
- adequate accounting records have not been kept
  - the financial statements or the audited part of the Remuneration and Staff Report are not in agreement with the accounting records
  - they have not received all the information and explanations required for the audit.
49. Where auditors are required to report on certain matters but positive assurance is not required, ISA (UK) 700 treats them as matters reported by exception. Auditors are required to describe their responsibilities for such matters, and incorporate a suitable conclusion (rather than opinion).
50. Auditors report on these matters in the 'Matters reported on by exception' part of the Independent Auditor's Report.

### Accounting records

#### Auditor action 13

Auditors should evaluate and conclude on whether:

- **the body has kept adequate accounting records throughout the year**
- **the financial statements and the audited part of the Remuneration and Staff Report are in agreement with the accounting records.**

- 
51. Accounting records are the records of initial accounting entries and supporting records, such as checks and records of electronic fund transfers; invoices; contracts; the general and subsidiary ledgers, journal entries and other adjustments to the financial statements that are not reflected in formal journal entries; and records such as work sheets and spreadsheets supporting cost allocations, computations, reconciliations and disclosures.
52. The accounting records should comprise an orderly, classified collection of information capable of timely retrieval, containing details of the body's transactions, assets and liabilities. The information should be organised so as to enable a trial balance to be constructed. Auditors should consider accounting records to be adequate if they are sufficient to:
- show and explain the body's transactions
  - disclose with reasonable accuracy, at any time during the year, the financial position of the body
  - enable the Accountable Officer to ensure that any accounts required to be prepared comply with statutory requirements.
53. There is a distinction between the accounting records and the accounting control system. If auditors find weaknesses relating to the accounting control system rather than the accounting records, they can still conclude that adequate accounting records have been kept. The weaknesses in the accounting control system, where significant, would be reported in the Governance Statement.

## Required information and explanations

### Auditor action 14

Auditors should evaluate and conclude on whether they have received all the information and explanations required for the audit.

---

## Modified conclusion

### Auditor action 15

When auditors are considering modifying their conclusion on a matter reported by exception, they should discuss the proposed modified conclusion with Professional Support.

Where a modified conclusion is appropriate, auditors should:

- amend the conclusion wording in the model reports
  - provide a description of the matter giving rise to the modification.
- 

54. Where auditors conclude that a modified conclusion is appropriate, they should
- modify the conclusion to 'I/We have the following to report in respect of these matters'
  - provide a concise description of the matter being reported
  - finish with the sentence 'I/We have nothing to report in respect of the other matters'.
55. Where auditors express a modified conclusion in respect of a matter reported by exception, this may also give rise to a modification of the auditor's opinion on the financial statements, e.g. if adequate accounting records have not been maintained and as a result it proves impracticable for the auditor to obtain sufficient appropriate evidence concerning material matters in the financial statements.

# Section 6

## Emphasis of matter/other matter paragraphs

### Auditors' responsibilities

56. [ISA \(UK\) 706](#) deals with 'emphasis of matter' and 'other matter' paragraphs in the Independent Auditor's Report. These may need to be added to the model reports when auditors consider it necessary to draw users' attention to matters that are either fundamental to understanding the financial statements or relevant to understanding the audit.

### Matter to be reported

#### Auditor action 16

When auditors are considering whether it is necessary to draw attention to certain matters under ISA (UK) 706, they should discuss the matter with Professional Support.

If auditors conclude that they should draw attention to such matters, they should include an 'emphasis of matter' or 'other matter' paragraph.

57. The following table summarises the requirements for an 'emphasis of matter' paragraph:

Used to refer to a matter	Examples	Changes to model
Appropriately presented or disclosed in the financial statements; and	An uncertainty relating to the future outcome of exceptional litigation or regulatory action.	Include the paragraph within a separate section of the Independent Auditor's Report with an appropriate heading that includes the term 'Emphasis of matter'.
Of such importance that it is fundamental to users' understanding of the financial statements; but	A significant subsequent event that occurs between the date of the financial statements and the date of the Independent Auditor's Report.	Include in the paragraph a clear reference to the matter being emphasised and to where relevant disclosures that fully describe the matter can be found in the financial statements.
A modified opinion is not required	Early application (where permitted) of a new accounting standard that has a material effect on the financial statements.	
	A major catastrophe that has had, or continues to have, a significant effect on the body's financial position.	Indicate that the auditor's opinion on the financial statements is not modified in respect of the matter emphasised.

58. An 'other matter' paragraph is used to refer to a matter other than those presented or disclosed in the financial statements that are relevant to users' understanding of the audit, the auditor's responsibilities or the auditor's report. The use of such a paragraph in the public sector is extremely rare.

# Section 7

## Report on summary financial statements in separate annual report

### Auditors' responsibilities

59. In cases where an audited body is required by its sponsoring body or chooses to produce a separate annual report that includes summary financial statements, auditors are responsible for expressing an opinion on the consistency with the audited financial statements.
60. The test and reporting procedures set out in the following paragraphs are based on the International Auditing and Assurance Standards Board's ISA 810 Appointments to Report on Summary Financial Statements.

### Procedures

#### Test procedures

**Auditors should examine the summary financial statements and conclude whether they are consistent with the audited financial statements.**

61. Auditors should evaluate:
  - the body's processes and controls for the preparation of the summary financial statements
  - whether the information in the summary financial statements agrees with, or can be recalculated from, the related information in the audited financial statements
  - whether the summary financial statements have been prepared in accordance with the criteria set by the body
  - whether the summary financial statements contain the information necessary, and at an appropriate level of aggregation, so as not to be misleading.

#### Reporting procedures

**Auditors should complete the auditor's report on the summary financial statements and provide it to the body for inclusion in the separate annual report.**

## Scottish Government Consolidated Accounts

### Report of the Auditor General for Scotland to the Scottish Parliament

#### Report on the audit of the financial statements

##### Opinion on financial statements

I have audited the financial statements in the Scottish Government Consolidated Accounts for the year ended 31 March 2020 under the Public Finance and Accountability (Scotland) Act 2000. The financial statements comprise the [specify precisely the titles of the financial statements used by the body such as the Summary of Total Outturn Statement, the Summary of Resource Outturn Statement, the Summary of Capital Outturn Statement, the Statement of Total Consolidated Comprehensive Net Expenditure, the eleven Portfolio Outturn Statements, the Analysis of Major Variances in Portfolio Outturn Statements, the Core Portfolios' Statement of Financial Position, the Consolidated Statement of Financial Position, the Consolidated Cash Flow Statement, the Consolidated Statement of Changes in Taxpayers' Equity, the Statement of Net Resources by Strategic Objectives] and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union, and as interpreted and adapted by the 2019/20 Government Financial Reporting Manual (the 2019/20 FReM).

In my opinion the accompanying financial statements:

- give a true and fair view in accordance with the Public Finance and Accountability (Scotland) Act 2000 and directions made thereunder by the Scottish Ministers of the state of affairs of the Scottish Government and the consolidation of the entities within the departmental accounting boundary as at 31 March 2020 and of the net resource outturn and resources applied to objectives for the year then ended;
- have been properly prepared in accordance with IFRSs as adopted by the European Union, as interpreted and adapted by the 2019/20 FReM; and
- have been prepared in accordance with the requirements of the Public Finance and Accountability (Scotland) Act 2000 and directions made thereunder by the Scottish Ministers.

##### Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)). My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the Scottish Government in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. Non-audit services prohibited by the Ethical Standard were not provided. [List any non-audit services not disclosed elsewhere]. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

##### Conclusions relating to going concern basis of accounting

I have nothing to report in respect of the following matters in relation to which the ISAs (UK) require me to report to you where:

- the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Scottish Government has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about its ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **Risks of material misstatement**

I have reported in a separate Annual Audit Report, which is available from the [Audit Scotland website](#), the most significant assessed risks of material misstatement that I identified and my conclusions thereon.

### **Responsibilities of the Principal Accountable Officer for the financial statements**

As explained more fully in the Statement of the Principal Accountable Officer's Responsibilities, the Principal Accountable Officer is responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the Principal Accountable Officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Principal Accountable Officer is responsible for using the going concern basis of accounting unless deemed inappropriate.

### **Auditor's responsibilities for the audit of the financial statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, intentional omissions, misrepresentations, or the override of internal control. The capability of the audit to detect fraud and other irregularities depends on factors such as the skilfulness of the perpetrator, the frequency and extent of manipulation, the degree of collusion involved, the relative size of individual amounts manipulated, and the seniority of those individuals involved. I therefore design and perform audit procedures which respond to the assessed risks of material misstatement due to fraud.

A further description of my responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of my auditor's report.

### **Other information in the Scottish Government Consolidated Accounts**

The Principal Accountable Officer is responsible for the other information in the Scottish Government Consolidated Accounts. The other information comprises the information other than the financial statements, the audited part of the Remuneration and Staff Report, and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on certain matters to the extent explicitly stated later in this report.

In connection with my audit of the financial statements, my responsibility is to read all the other information in the Scottish Government Consolidated Accounts and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

## **Report on regularity of expenditure and income**

### **Opinion on regularity**

In my opinion in all material respects:

- the expenditure and income in the financial statements were incurred or applied in accordance with any applicable enactments and guidance issued by the Scottish Ministers, the Budget (Scotland) Act covering the financial year and sections 4 to 7 of the Public Finance and Accountability (Scotland) Act 2000; and

- the sums paid out of the Scottish Consolidated Fund for the purpose of meeting the expenditure shown in the financial statements were applied in accordance with section 65 of the Scotland Act 1998.

### **Responsibilities for regularity**

The Principal Accountable Officer is responsible for ensuring the regularity of expenditure and income. I am responsible for expressing an opinion on the regularity of expenditure and income in accordance with the Public Finance and Accountability (Scotland) Act 2000.

## **Report on other requirements**

### **Opinions on other prescribed matters**

In my opinion, the audited part of the Remuneration and Staff Report has been properly prepared in accordance with the Public Finance and Accountability (Scotland) Act 2000 and directions made thereunder by the Scottish Ministers.

In my opinion, based on the work undertaken in the course of the audit:

- the information given in the Performance Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the Public Finance and Accountability (Scotland) Act 2000 and directions made thereunder by the Scottish Ministers; and
- the information given in the Governance Statement for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the Public Finance and Accountability (Scotland) Act 2000 and directions made thereunder by the Scottish Ministers.

### **Matters on which I report by exception**

I report to you if, in my opinion:

- adequate accounting records have not been kept; or
- the financial statements and the audited part of the Remuneration and Staff Report are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

### **Conclusions on wider scope responsibilities**

In addition to my responsibilities for the annual report and accounts, my conclusions on the wider scope responsibilities specified in the Code of Audit Practice are set out in my Annual Audit Report.

## **Use of [my/our] report**

This report is made solely to the parties to whom it is addressed in accordance with the Public Finance and Accountability (Scotland) Act 2000 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

In [my/our] opinion the accompanying financial statements:

- give a true and fair view in accordance with the Public Finance and Accountability (Scotland) Act 2000 and directions made thereunder by the Scottish Ministers of the state of the body's affairs as at 31 March 2020 and of its net expenditure for the year then ended;
- have been properly prepared in accordance with IFRSs as adopted by the European Union, as interpreted and adapted by the 2019/20 FReM; and
- have been prepared in accordance with the requirements of the Public Finance and Accountability (Scotland) Act 2000 and directions made thereunder by the Scottish Ministers.

#### Basis for opinion

[I/We] conducted [my/our] audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the [Code of Audit Practice](#) approved by the Auditor General for Scotland. [My/Our] responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of [my/our] report. [I was/We were] appointed by the Auditor General on [insert date of appointment letter]. The period of total uninterrupted appointment is [insert number] years. [I am/We are] independent of the body in accordance with the ethical requirements that are relevant to [my/our] audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and [I/we] have fulfilled [my/our] other ethical responsibilities in accordance with these requirements. Non-audit services prohibited by the Ethical Standard were not provided to the body. [List any non-audit services not disclosed elsewhere]. [I/We] believe that the audit evidence [I/we] have obtained is sufficient and appropriate to provide a basis for [my/our] opinion.

#### Conclusions relating to going concern basis of accounting

[I/We] have nothing to report in respect of the following matters in relation to which the ISAs (UK) require [me/us] to report to you where:

- the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the body has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about its ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **Risks of material misstatement**

[I/We] have reported in a separate Annual Audit Report, which is available from the [Audit Scotland website](#), the most significant assessed risks of material misstatement that [I/we] identified and [my/our] conclusions thereon.

### **Responsibilities of the Accountable Officer for the financial statements**

In preparing the financial statements, the Accountable Officer is responsible for using the going concern basis of accounting unless deemed inappropriate.

### **Auditor's responsibilities for the audit of the financial statements**

[My/Our] objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes [my/our] opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, intentional omissions, misrepresentations, or the override of internal control. The capability of the audit to detect fraud and other irregularities depends on factors such as the skilfulness of the perpetrator, the frequency and extent of manipulation, the degree of collusion involved, the relative size of individual amounts manipulated, and the seniority of those individuals involved. [I/We] therefore design and perform audit procedures which respond to the assessed risks of material misstatement due to fraud.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). In connection with [my/our] audit of the financial statements, [my/our] responsibility is to read all the other information in the annual report and accounts and, in doing so, consider whether the other information is materially inconsistent with the financial statements or [my/our] knowledge obtained in the audit or otherwise appears to be materially misstated. If [I/we] identify such material inconsistencies or apparent material misstatements, [I am/we are] required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work [I/we] have performed, [I/we] conclude that there is a material misstatement of this other information, [I am/we are] required to report that fact. ## Scottish Government Non-Domestic Rating Account

---

Independent auditor's report to the Auditor General for Scotland and the Scottish Parliament

### Report on the audit of the financial statements

#### Opinion on financial statements

I have audited the financial statements in the Scottish Government Non-Domestic Rating Account for the year ended 31 March 2020 under Schedule 12 of the Local Government Finance Act 1992. The financial statements comprise the Receipts and Payments Account, Statement of Balances and the notes to the financial statements. The financial reporting framework that has been applied in their preparation is applicable law and the receipts and payments basis.

In my opinion the accompanying financial statements:

- properly present in accordance with Schedule 12 of the Local Government Finance Act 1992 as amended by Schedule 13 of the Local Government etc (Scotland) Act 1994 and directions made thereunder by the Scottish Ministers the receipts and payments of the account for the year ended 31 March 2020 and the balances held at that date; and
- have been prepared in accordance with the requirements of Schedule 12 of the Local Government Finance Act 1992 and directions made thereunder by the Scottish Ministers.

#### Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the [Code of Audit Practice](#) approved by the Auditor General for Scotland. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I was appointed by the Auditor General on [insert date of appointment letter]. The period of total uninterrupted appointment is [insert number] years. I am independent of the account in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. Non-audit services prohibited by the Ethical Standard were not provided to the account. [List any non-audit services not disclosed elsewhere]. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### Risks of material misstatement

I have reported in a separate Annual Audit Report, which is available from the [Audit Scotland website](#), the most significant assessed risks of material misstatement that I identified and my conclusions thereon.

#### Responsibilities of the Accountable Officer for the financial statements

As explained more fully in the Statement of the Accountable Officer Responsibilities, the Accountable Officer is responsible for the preparation and proper presentation of financial statements in accordance with the financial reporting framework, and for such internal control as the Accountable Officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, intentional omissions, misrepresentations, or the override of internal control. The capability of the audit to detect fraud and other irregularities depends on factors such as the skilfulness of the perpetrator, the frequency and extent of manipulation, the degree of collusion involved, the relative size of individual amounts manipulated, and the seniority of those individuals involved. I therefore design and perform audit procedures which respond to the assessed risks of material misstatement due to fraud.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of my auditor's report.

### **Other information in the Scottish Government Non-Domestic Rating Account**

The Accountable Officer is responsible for the other information in the Scottish Government Non-Domestic Rating Account. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Auditor General for Scotland to the extent explicitly stated later in this report.

In connection with my audit of the financial statements, my responsibility is to read all the other information in the Scottish Government Non-Domestic Rating Account and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

## **Report on regularity of receipts and payments**

### **Opinion on regularity**

In my opinion in all material respects:

- the receipts and payments in the financial statements were incurred or applied in accordance with any applicable enactments and guidance issued by the Scottish Ministers, the Budget (Scotland) Act covering the financial year and sections 4 to 7 of the Public Finance and Accountability (Scotland) Act 2000; and
- the sums paid out of the Scottish Consolidated Fund for the purpose of meeting the payments shown in the financial statements were applied in accordance with section 65 of the Scotland Act 1998.

### **Responsibilities for regularity**

The Accountable Officer is responsible for ensuring the regularity of receipts and payments. I am responsible for expressing an opinion on the regularity of receipts and payments in accordance with the Public Finance and Accountability (Scotland) Act 2000.

## **Report on other requirements**

### **Opinion on matter prescribed by the Auditor General for Scotland**

In my opinion, based on the work undertaken in the course of the audit, the information given in the Foreword for the financial year for which the financial statements are prepared is consistent with the financial statements.

### **Matters on which I am required to report by exception**

I am required by the Auditor General for Scotland to report to you if, in my opinion:

- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

**Conclusions on wider scope responsibilities**

In addition to my responsibilities for the annual report and accounts, my conclusions on the wider scope responsibilities specified in the Code of Audit Practice are set out in my Annual Audit Report.

**Use of my report**

This report is made solely to the parties to whom it is addressed in accordance with the Public Finance and Accountability (Scotland) Act 2000 and for no other purpose. ## Non-departmental public bodies and other applicable bodies

### Independent auditor's report to the members of [insert name of audited body], the Auditor General for Scotland and the Scottish Parliament

#### Report on the audit of the financial statements

##### Opinion on financial statements

[I/We] have audited the financial statements in the annual report and accounts of [insert name of body] for the year ended 31 March 2020 under the [insert name of legislation requiring an audit]. The financial statements comprise the [specify precisely the titles of the financial statements used by the body such as the Statement of Financial Position, the Statement of Comprehensive Net Expenditure, the Statement of Cash Flow, the Statement of Changes in Taxpayers' Equity] and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union, and as interpreted and adapted by the 2019/20 Government Financial Reporting Manual (the 2019/20 FReM).

In [my/our] opinion the accompanying financial statements:

- give a true and fair view in accordance with the [insert name of legislation under which accounts direction is issued] and directions made thereunder by the Scottish Ministers of the state of the body's affairs as at 31 March 2020 and of its net expenditure for the year then ended;
- have been properly prepared in accordance with IFRSs as adopted by the European Union, as interpreted and adapted by the 2019/20 FReM; and
- have been prepared in accordance with the requirements of the [insert name of legislation under which accounts direction is issued] and directions made thereunder by the Scottish Ministers.

##### Basis of opinion

[I/We] conducted [my/our] audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the [Code of Audit Practice](#) approved by the Auditor General for Scotland. [My/Our] responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of [my/our] report. [I was/We were] appointed by the Auditor General on [insert date of appointment letter]. The period of total uninterrupted appointment is [insert number] years. [I am/We are] independent of the body in accordance with the ethical requirements that are relevant to [my/our] audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and [I/we] have fulfilled [my/our] other ethical responsibilities in accordance with these requirements. Non-audit services prohibited by the Ethical Standard were not provided to the body. [List any non-audit services not disclosed elsewhere]. [I/We] believe that the audit evidence [I/we] have obtained is sufficient and appropriate to provide a basis for [my/our] opinion.

##### Conclusions relating to going concern basis of accounting

[I/We] have nothing to report in respect of the following matters in relation to which the ISAs (UK) require [me/us] to report to you where:

- the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the body has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about its ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **Risks of material misstatement**

[I/We] have reported in a separate Annual Audit Report, which is available from the [Audit Scotland website](#), the most significant assessed risks of material misstatement that [I/we] identified and [my/our] conclusions thereon.

### **Responsibilities of the Accountable Officer for the financial statements**

As explained more fully in the Statement of the Chief Executive's Responsibilities as the Accountable Officer, the Accountable Officer is responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the Accountable Officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Accountable Officer is responsible for assessing the body's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

### **Auditor's responsibilities for the audit of the financial statements**

[My/Our] objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes [my/our] opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, intentional omissions, misrepresentations, or the override of internal control. The capability of the audit to detect fraud and other irregularities depends on factors such as the skilfulness of the perpetrator, the frequency and extent of manipulation, the degree of collusion involved, the relative size of individual amounts manipulated, and the seniority of those individuals involved. [I/We] therefore design and perform audit procedures which respond to the assessed risks of material misstatement due to fraud.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of [my/our] auditor's report.

### **Other information in the annual report and accounts**

The Accountable Officer is responsible for the other information in the annual report and accounts. The other information comprises the information other than the financial statements, the audited part of the Remuneration and Staff Report, and [my/our] independent auditor's report. [My/Our] opinion on the financial statements does not cover the other information and [I/we] do not express any form of assurance conclusion thereon except on matters prescribed by the Auditor General for Scotland to the extent explicitly stated later in this report.

In connection with [my/our] audit of the financial statements, [my/our] responsibility is to read all the other information in the annual report and accounts and, in doing so, consider whether the other information is materially inconsistent with the financial statements or [my/our] knowledge obtained in the audit or otherwise appears to be materially misstated. If [I/we] identify such material inconsistencies or apparent material misstatements, [I am/we are] required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work [I/we] have performed, [I/we] conclude that there is a material misstatement of this other information, [I am/we are] required to report that fact. [I/We] have nothing to report in this regard.

## **Report on regularity of expenditure and income**

### **Opinion on regularity**

In [my/our] opinion in all material respects the expenditure and income in the financial statements were incurred or applied in accordance with any applicable enactments and guidance issued by the Scottish Ministers.

**Responsibilities for regularity**

The Accountable Officer is responsible for ensuring the regularity of expenditure and income. [I am/We are] responsible for expressing an opinion on the regularity of expenditure and income in accordance with the Public Finance and Accountability (Scotland) Act 2000.

**Report on other requirements****Opinions on matters prescribed by the Auditor General for Scotland**

In [my/our] opinion, the audited part of the Remuneration and Staff Report has been properly prepared in accordance with the [insert name of legislation under which accounts direction is issued] and directions made thereunder by the Scottish Ministers.

In [my/our] opinion, based on the work undertaken in the course of the audit:

- the information given in the Performance Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the [insert name of legislation under which accounts direction is issued] and directions made thereunder by the Scottish Ministers; and
- the information given in the Governance Statement for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the [insert name of legislation under which accounts direction is issued] and directions made thereunder by the Scottish Ministers.

**Matters on which [I am/we are] required to report by exception**

[I am/We are] required by the Auditor General for Scotland to report to you if, in [my/our] opinion:

- adequate accounting records have not been kept; or
- the financial statements and the audited part of the Remuneration and Staff Report are not in agreement with the accounting records; or
- [I/we] have not received all the information and explanations [I/we] require for [my/our] audit.

[I/We] have nothing to report in respect of these matters.

**Conclusions on wider scope responsibilities**

In addition to [my/our] responsibilities for the annual report and accounts, [my/our] conclusions on the wider scope responsibilities specified in the Code of Audit Practice are set out in [my/our] Annual Audit Report.

**Use of [my/our] report**

This report is made solely to the parties to whom it is addressed in accordance with the Public Finance and Accountability (Scotland) Act 2000 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice, [I/we] do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Independent auditor's report to the members of [insert name of audited body], the Auditor General for Scotland and the Scottish Parliament

### Report on the audit of the financial statements

#### Opinion on financial statements

[I/We] have audited the financial statements in the annual report and accounts of [insert name of body] for the year ended 31 March 2020 under the [insert name of Act requiring an audit] and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the [specify precisely the titles of the financial statements used by the body such as the Balance Sheet, Statement of Financial Activities, the Income and Expenditure Account, the Cash Flow Statement, the Statement of Total Recognised Gains and Losses] and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In [my/our] opinion the accompanying financial statements:

- give a true and fair view in accordance with the [insert name of Act under which accounts direction is issued] and directions made thereunder by the Scottish Ministers of the state of the body's affairs as at 31 March 2020 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the [insert name of Act under which accounts direction is issued] and directions made thereunder by the Scottish Ministers, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of The Charities Accounts (Scotland) Regulations 2006.

#### Basis for opinion

[I/We] conducted [my/our] audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the [Code of Audit Practice](#) approved by the Auditor General for Scotland. [My/Our] responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of [my/our] report. [I was/We were] appointed by the Auditor General on [insert date of appointment letter]. The period of total uninterrupted appointment is [insert number] years. [I am/We are] independent of the body in accordance with the ethical requirements that are relevant to [my/our] audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and [I/we] have fulfilled [my/our] other ethical responsibilities in accordance with these requirements. Non-audit services prohibited by the Ethical Standard were not provided to the body. [List any non-audit services not disclosed elsewhere]. [I/We] believe that the audit evidence [I/we] have obtained is sufficient and appropriate to provide a basis for [my/our] opinion.

#### Conclusions relating to going concern basis of accounting

[I/We] have nothing to report in respect of the following matters in relation to which the ISAs (UK) require [me/us] to report to you where:

- the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the body has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about its ability to continue to adopt the going concern basis of

accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **Risks of material misstatement**

[I/We] have reported in a separate Annual Audit Report, which is available from the [Audit Scotland website](#), the most significant assessed risks of material misstatement that [I/we] identified and [my/our] conclusions thereon.

### **Responsibilities of the Accountable Officer for the financial statements**

As explained more fully in the Statement of the Accountable Officer Responsibilities, the Accountable Officer is responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the Accountable Officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Accountable Officer is responsible for assessing the body's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

### **Auditor's responsibilities for the audit of the financial statements**

[My/Our] objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes [my/our] opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, intentional omissions, misrepresentations, or the override of internal control. The capability of the audit to detect fraud and other irregularities depends on factors such as the skilfulness of the perpetrator, the frequency and extent of manipulation, the degree of collusion involved, the relative size of individual amounts manipulated, and the seniority of those individuals involved. [I/We] therefore design and perform audit procedures which respond to the assessed risks of material misstatement due to fraud.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of [my/our] auditor's report.

### **Other information in the annual report and accounts**

The Accountable Officer is responsible for the other information in the annual report and accounts. The other information comprises the information other than the financial statements and [my/our] auditor's report thereon. [My/Our] opinion on the financial statements does not cover the other information and [I/we] do not express any form of assurance conclusion thereon except on matters prescribed by the Auditor General for Scotland to the extent explicitly stated later in this report.

In connection with [my/our] audit of the financial statements, [my/our] responsibility is to read all the other information in the annual report and accounts and, in doing so, consider whether the other information is materially inconsistent with the financial statements or [my/our] knowledge obtained in the audit or otherwise appears to be materially misstated. If [I/we] identify such material inconsistencies or apparent material misstatements, [I am/we are] required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work [I/we] have performed, [I/we] conclude that there is a material misstatement of this other information, [I am/we are] required to report that fact. [I/We] have nothing to report in this regard.

## **Report on regularity of expenditure and income**

### **Opinion on regularity**

In [my/our] opinion in all material respects the expenditure and income in the financial statements were incurred or applied in accordance with any applicable enactments and guidance issued by the Scottish Ministers.

### Responsibilities for regularity

[I am/We are] required by The Charities Accounts (Scotland) Regulations 2006 to report to you if, in [my/our] opinion:

- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- [I/we] have not received all the information and explanations [I/we] require for [my/our] audit.

[I/We] have nothing to report in respect of these matters.

#### Conclusions on wider scope responsibilities

In addition to [my/our] responsibilities for the annual report and accounts, [my/our] conclusions on the wider scope responsibilities specified in the Code of Audit Practice are set out in [my/our] Annual Audit Report.

The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union, and as interpreted and adapted by the 2019/20 Government Financial Reporting Manual (the 2019/20 FReM).

In [my/our] opinion the accompanying financial statements:

- give a true and fair view in accordance with the directions made under the Public Finance and Accountability (Scotland) Act 2000 of the state of affairs of the company as at 31 March 2020 and of the surplus [deficit] for the year then ended;

- have been prepared in accordance with the requirements of the Companies Act 2006 and directions made under the Public Finance and Accountability (Scotland) Act 2000 by the Scottish Ministers.

#### Basis for opinion

[I/We] conducted [my/our] audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the [Code of Audit Practice](#) approved by the Auditor General for Scotland. [My/Our] responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of [my/our] report. [I was/We were] appointed by the Auditor General on [insert date of appointment letter]. The period of total uninterrupted appointment is [insert number] years. [I am/We are] independent of the company in accordance with the ethical requirements that are relevant to [my/our] audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and [I/we] have fulfilled [my/our] other ethical responsibilities in accordance with these requirements. Non-audit services prohibited by the Ethical Standard were not provided to the company. [List any non-audit services not disclosed elsewhere]. [I/We] believe that the audit evidence [I/we] have obtained is sufficient and appropriate to provide a basis for [my/our] opinion.

#### Conclusions relating to going concern basis of accounting

[I/We] have nothing to report in respect of the following matters in relation to which the ISAs (UK) require [me/us] to report to you where:

- the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the company has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about its ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **Risks of material misstatement**

[I/We] have reported in a separate Annual Audit Report, which is available from the [Audit Scotland website](#), the most significant assessed risks of material misstatement that [I/we] identified and [my/our] conclusions thereon.

### **Responsibilities of the directors and Accountable Officer for the financial statements**

As explained more fully in the Statement of the Directors' and Accountable Officer Responsibilities, the directors and Accountable Officer are responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the directors and Accountable Officer determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Accountable Officer is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

### **Auditor's responsibilities for the audit of the financial statements**

[My/Our] objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes [my/our] opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, intentional omissions, misrepresentations, or the override of internal control. The capability of the audit to detect fraud and other irregularities depends on factors such as the skilfulness of the perpetrator, the frequency and extent of manipulation, the degree of collusion involved, the relative size of individual amounts manipulated, and the seniority of those individuals involved. [I/We] therefore design and perform audit procedures which respond to the assessed risks of material misstatement due to fraud.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). [My/Our] opinion on the financial statements does not cover the other information and [I/we] do not express any form of assurance conclusion thereon except on matters prescribed by the Auditor General for Scotland to the extent explicitly stated later in this report.

In connection with [my/our] audit of the financial statements, [my/our] responsibility is to read all the other information in the annual report and accounts and, in doing so, consider whether the other information is materially inconsistent with the financial statements or [my/our] knowledge obtained in the audit or otherwise appears to be materially misstated. If [I/we] identify such material inconsistencies or apparent material misstatements, [I am/we are] required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work [I/we] have performed, [I/we] conclude that there is a material misstatement of this other information, [I am/we are] required to report that fact. [I/We] have nothing to report in this regard.

Independent auditor's report to the members of Scottish Water, the Auditor General for Scotland and the Scottish Parliament

### Report on the audit of the financial statements

#### Opinion on financial statements

We have audited the financial statements in the annual report and accounts of Scottish Water for the year ended 31 March 2020 under the Water Industry (Scotland) Act 2002. The financial statements comprise the [specify precisely the titles of the financial statements used by the body such as the Group and Company Balance Sheets, the Consolidated Income Statement, the Consolidated Statement of Comprehensive Income, the Consolidated and Company Statements of Changes in Equity, the Group and Company Statements of Cash Flow] and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union, and as interpreted and adapted by the 2019/20 Government Financial Reporting Manual (the 2019/20 FReM).

In our opinion the accompanying financial statements:

- give a true and fair view in accordance with the Water Industry (Scotland) Act 2002 and directions made thereunder by the Scottish Ministers of the state of affairs of the body and its group as at 31 March 2020 and of the group surplus [deficit] for the year then ended;
- have been properly prepared in accordance with IFRSs as adopted by the European Union, as interpreted and adapted by the 2019/20 FReM; and
- have been prepared in accordance with the requirements of the Water Industry (Scotland) Act 2002 and directions made thereunder by the Scottish Ministers.

#### Basis for opinion

We conducted our audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the [Code of Audit Practice](#) approved by the Auditor General for Scotland. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We were appointed by the Auditor General on [insert date of appointment letter]. The period of total uninterrupted appointment is [insert number] years. We are independent of the body and its group in accordance with the ethical requirements that are relevant to [my/our] audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. Non-audit services prohibited by the Ethical Standard were not provided to the body. [List any non-audit services not disclosed elsewhere]. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusion relating to principal risks, going concern and viability statement

We have nothing to report in respect of the following information in the annual report and accounts, in relation to which the ISAs (UK) require us to report to you whether we have anything material to add or draw attention to:

- the disclosures in the annual report and accounts that describe the principal risks and explain how they are being managed or mitigated;
- the board members' confirmation in the annual report and accounts that they have carried out a robust assessment of the principal risks facing the body and its group, including those that would threaten its business model, future performance, solvency or liquidity;
- the board members' statement about whether they considered it appropriate to adopt the going concern basis in preparing the financial statements, and their identification of any material

uncertainties to the ability of the body and its group to continue to do so over a period of at least twelve months from the date of the approval of the financial statements;

- the board members' explanation in the annual report and accounts as to how they have assessed the prospects of the body and its group, over what period they have done so and why they consider that period to be appropriate, and their statement as to whether they have a reasonable expectation that the body and its group will be able to continue in operation and meet its liabilities as they fall due over the period of their assessment, including any related disclosures drawing attention to any necessary qualifications or assumptions.

### **Key audit matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period and include the most significant assessed risks of material misstatement (whether or not due to fraud) we identified, including those which had the greatest effect on: the overall audit strategy, the allocation of resources in the audit; and directing the efforts of the audit team. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

*[Description of each key audit matter in accordance with ISA (UK) 701.]*

### **Our application of materiality**

*[Explanation of how the auditor applied the concept of materiality in planning and performing the audit. This is required to include the threshold used by the auditor as being materiality for the financial statements as a whole but may include other relevant disclosures.]*

### **An overview of the scope of our audit**

*[Overview of the scope of the audit, including an explanation of how the scope addressed each key audit matter and was influenced by the auditor's application of materiality.]*

### **Responsibilities of the board members for the financial statements**

As explained more fully in the Statement of Members' Responsibilities, the board members are responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the board members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Accountable Officer is responsible for assessing the ability of the body and its group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, intentional omissions, misrepresentations, or the override of internal control. The capability of the audit to detect fraud and other irregularities depends on factors such as the skilfulness of the perpetrator, the frequency and extent of manipulation, the degree of collusion involved, the relative size of individual amounts manipulated, and the seniority of those individuals involved. We therefore design and perform audit procedures which respond to the assessed risks of material misstatement due to fraud.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

## Other information in the annual report and accounts

The board members are responsible for the other information in the annual report and accounts. The other information comprises the information other than the financial statements, the audited part of the Directors' Remuneration Report, and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon except on matters prescribed by the Auditor General for Scotland to the extent explicitly stated later in this report.

In connection with our audit of the financial statements, our responsibility is to read all the other information in the annual report and accounts and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

In this context, we also have a responsibility to specifically address the following items in the other information and to report as uncorrected material misstatements of the other information where we conclude that those items meet the following conditions:

- The statement given by the board members that they consider that the annual report and accounts taken as a whole is fair, balanced and understandable and provides the information necessary for stakeholders to assess the position and performance, business model and strategy of the body and its group is materially inconsistent with our knowledge obtained in the audit; or
- The Audit Committee Report does not appropriately address matters communicated by us to the Audit Committee.

We have nothing to report in respect of the above responsibilities.

## Report on regularity of expenditure and income

### Opinion on regularity

In our opinion in all material respects the expenditure and income in the financial statements were incurred or applied in accordance with any applicable enactments and guidance issued by the Scottish Ministers.

### Responsibilities for regularity

The board members are responsible for ensuring the regularity of expenditure and income. We are responsible for expressing an opinion on the regularity of expenditure and income in accordance with the Public Finance and Accountability (Scotland) Act 2000.

## Report on other requirements

### Opinions on matters prescribed by the Auditor General for Scotland

In our opinion, the audited part of the Directors' Remuneration Report has been properly prepared in accordance with the Water Industry (Scotland) Act 2002 and directions made thereunder by the Scottish Ministers.

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the information given in the Governance Statement for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the directions made under the Water Industry (Scotland) Act 2002 by the Scottish Ministers.

### Matters on which we are required to report by exception

We are required by the Auditor General for Scotland to report to you if, in our opinion:

- adequate accounting records have not been kept; or
- the financial statements and the audited part of the Directors' Remuneration Report are not in agreement with the accounting records; or

- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

### **Conclusions on wider scope responsibilities**

In addition to our responsibilities for the annual report and accounts, our conclusions on the wider scope responsibilities specified in the Code of Audit Practice are set out in our Annual Audit Report.

### **Use of our report**

This report is made solely to the parties to whom it is addressed in accordance with the Public Finance and Accountability (Scotland) Act 2000 and for no other purpose. Independent auditor's report to the members of Scottish Canals, the Auditor General for Scotland and the Scottish Parliament

### Report on the audit of the financial statements

#### Opinion on financial statements

We have audited the financial statements in the annual report and accounts of Scottish Canals for the year ended 31 March 2020 under the Transport Act 1962. The financial statements comprise the [specify precisely the titles of the financial statements used by the body such as the Statement of Financial Position, the Statement of Comprehensive Income, the Statement of Cash Flow, the Statement of Changes in Taxpayers' Equity] and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards (IFRSs) as adopted by the European Union.

In our opinion the accompanying financial statements:

- give a true and fair view in accordance with the Transport Act 1962 and directions made thereunder by the Scottish Ministers of the state of the body's affairs as at 31 March 2020 and of its surplus [deficit] for the year then ended;
- have been properly prepared in accordance with IFRSs as adopted by the European Union; and
- have been prepared in accordance with the requirements of the Transport Act 1962 and directions made thereunder by the Scottish Ministers.

#### Basis for opinion

We conducted our audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the [Code of Audit Practice](#) approved by the Auditor General for Scotland. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We were appointed by the Auditor General on [insert date of appointment letter]. The period of total uninterrupted appointment is [insert number] years. We are independent of the body in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. Non-audit services prohibited by the Ethical Standard were not provided to the body. [List any non-audit services not disclosed elsewhere]. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern basis of accounting

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the body has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about its ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

#### Risks of material misstatement

We have reported in a separate Annual Audit Report, which is available from the [Audit Scotland website](#), the most significant assessed risks of material misstatement that we identified and our conclusions thereon.

### **Responsibilities of the board members for the financial statements**

As explained more fully in the Statement of Members' Responsibilities, the board members are responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the board members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Accountable Officer is responsible for assessing the body's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. We therefore design and perform audit procedures which respond to the assessed risks of material misstatement due to fraud.
